

## AMENDMENTS TO THE CLAIMS

This listing will replace all prior versions, and listings, of claims in the application.

### **Listing of Claims:**

1-20 (canceled)

21. (new) A method for transferring an image on a wall, the method comprising the steps of:

- (a) printing a mirror copy of the image on a releasable support;
- (b) coating a layer of sealant over the mirror copy to protect the image during the transferring of the image, the mirror copy being encapsulated between the releasable support and the layer of sealant;
- (c) applying an adhesive binder on the wall;
- (d) pressuring the releasable support against the wall, causing the mirror copy to adhere to the adhesive binder; and
- (e) removing the releasable support from the wall, the image remaining attached to the wall and exposed to the external environment.

22. (new) The method of claim 21, wherein the printing is performed with an electrostatic printer.

23. (new) The method of claim 21, wherein the wall is a building wall.

24. (new) The method of claim 21, wherein the varnish is matt, semi-matt, or glossy.

25. (new) The method of claim 21, further comprising the step of applying a varnish to the image after the transferring of the image.
